The U-Haul Investors Club® was founded by AMERCO® and U-Haul International, Inc., the leader in the "do-it-yourself" moving and self-storage business.

Traditionally, U-Haul assets were purchased with capital raised from lenders or through security issuance. Throughout the years, there has been a reliance on banks and intermediaries for funding. As a "do-it-yourself" company, we have developed an alternative measure to provide investors with the ability to invest directly in U-Notes®, issued by AMERCO, our parent company, through the U-Haul Investors Club®.

Our goal is to provide our investors with a fair return on asset backed investments.

What is a U-Note®?

A U-Note® is a collateralized debt security issued by AMERCO, a Nevada corporation. All U-Notes® are full recourse to the issuer.

Is there a fee to join or a monthly service fee?

No, there is no fee to join and there are no monthly service fees.

Is there a minimum balance requirement?

I signed up, but I didn't get an account activation email. What should I do?

Will U-Haul Investors Club® still consider issuing the U-Note® when its offering's funding percentage is low on the offering close date?

Yes, AMERCO may still decide to fund the offering and issue the U-Note® even when it's not 100% funded by the investors. In addition, AMERCO may choose to (i) extend the offering period or (ii) cancel the offering. At AMERCO's sole discretion, AMERCO may decide to cancel an offering even when it is 100% funded by the investors. If an offering is cancelled, the money subscribed will be credited to the investor's U-Haul Investors Club® account.
