The total amount under all series UIC-02B is \$802,800.

\*The closing date may be extended or shortened by us, in our discretion. In the event the closing date is shortened, prospective investors may not have the opportunity to revoke their subscription offer, as such subscription offer may be deemed accepted by us and final, upon the closing date. Additionally, we may cancel the offering for any reason. Interest begins no more than 5 business days after the closing date, and will be adjusted accordingly, based upon any adjustments to the closing date. In such event, the initial payment date and the Note maturity date will also have corresponding adjustments. The definitive documents will be executed and made available to investors following the closing date.
